- b. **Custody and Control.** The custody and control of Land Bank property, pending its disposition, shall be performed by the Contracting Officer.
- c. **Method of Disposition.** Unless otherwise permitted, the Land Bank shall dispose of property by sale, exchange, or transfer, for cash, credit, or other consideration as provided for herein, with or without warranty, and upon such other terms and conditions as the Land Bank or the Contracting Officer deems proper. - e. **Method of Disposition for Real Property.**
 - i. Negotiated Sale.
 1. Competitive Listing. Open market competition shall be used to establish the fair market value of Land Bank property. Staff shall list property for sale with a licensed real estate broker and/or on the Land Bank's website to solicit such competition.
 2. Listing Price. Listing price shall be determined by staff based on a comparative market analysis, consideration of the extent of renovations needed and, as needed, consultation with a licensed real estate broker or agent. The Contracting Officer is empowered to negotiate a proposed purchase price with interested purchasers, taking into consideration all reasonable business and financial justifications for accepting offers above or below listing price.
 3. Award of Purchase Contract. The Contracting Officer shall present the Board of Directors with a summary and analysis of the offers received for a particular property, making a recommendation as to which offers are reasonable and consistent with the Land Bank's mission and purpose. The Board of Directors, in its sole discretion, may sell property to an Applicant who has not submitted the highest purchase offer (i.e. sell for less than fair market value) for a variety of reasons consistent with the Land Bank's mission and purpose including, by way of example and not limitation, the submission of a redevelopment plan which provides for (i) a more comprehensive renovation of the property, (ii) owner occupancy, (iii) a valuable community service, or (iv) other community benefit. The Board of Directors will also take into consideration the Applicant's qualifications and experience, financial capacity, the quality and extent of their redevelopment plan, and the planned use for the property when selecting to which Applicant a sales contract will be awarded. In addition, a number of defined

discount programs are contained in this Policy which may result in a property being sold for less than fair market value.

- ii. **Requests for Proposals.** A Request for Proposals (RFP) may be used for the disposition and redevelopment of certain properties identified by the Land Bank to solicit from a specific pool of potential buyers, to allow a greater length of time for interested buyers to develop an offer and development plan, or to solicit development proposals that meet certain criteria set forth by the Land Bank. As with negotiated sales, the Board of Directors will consider the purchase price offered, the planned use, the scope of the redevelopment plan, the buyer's qualifications and capacity to complete the project, and the funds available for redevelopment, in addition to the content of the response to specific criteria or questions contained within the RFP, when selecting a winning proposal.
 - iii. **Auction.** A public auction may be used to sell certain properties identified by the Land Bank when:
 - 1. Minimum criteria for renovation/redevelopment of the property have been established and included in the terms of sale to be enforced by a 'claw back' provision or similar mechanism.
 - 2. Eligible bidders will be pre-screened to ensure they are qualified Applicants.
 - 3. Winning bidders must demonstrate proof of funds sufficient to purchase and renovate the property in accordance with the predetermined minimum criteria for renovation/redevelopment of the property.
 - 4. Staff will set starting bid and reserve prices based on comparable market analysis and the extent of renovations needed.
 - iv. **Noncompetitive Sale.** The Board of Directors may authorize the sale of property to a buyer without first undertaking the other methods of disposition set forth herein when it determines that a benefit to the community will be had by authorizing such sale without competitive procedures for reasons consistent with the Land Bank's mission and purpose and upon a demonstration that the buyer is uniquely qualified to own, develop or otherwise return the property to productive use.
- f. **Method of Disposition for Personal Property**
- i. The Land Bank may dispose of personal property by Negotiated Sale, Auction, Request for Proposals and Noncompetitive Sale under similar terms and conditions as set forth for the disposition of real property as well as by donation when the donee is a charitable organization, the State of New York or any political subdivision thereof. When determining the method of disposition, the Land Bank shall utilize the method which shall permit obtaining such competition as is feasible under the circumstances and which is consistent with the value and nature of the personal property proposed for disposition whether the personal property involved has qualities separate from the utilitarian purpose of such property, such as artistic quality, antiquity, historical significance, rarity, or other quality of similar effect, that would tend to impact the value thereof), and which will be most advantageous to the Land Bank, price and other factors considered, and which shall further the interests of and be consistent with the mission and purpose of the Land Bank
- g. **Board Approval for Disposition of Property.** The Land Bank shall not sell, lease, encumber, or alienate real property, improvements, or personal property unless authorized by a majority vote of the Board of Directors.

Buyer Qualification; Application; Consideration; Discount/Preference Programs; Enforcement; Leasing.

a. Buyer Qualifications

- i. All disposals of Land Bank property shall be made to qualified buyers. A person submitting an application, bid or other offer to purchase property owned by the Land Bank (an "Applicant") must meet the following requirements to be considered a "qualified buyer":
 - a. The Applicant's Principal Residence for the year immediately preceding the date of the Applicant's application was in Chemung County or a county adjoining Chemung County, or the Applicant has agreed to engage a property manager located in Chemung County or a county adjoining Chemung County to manage the property which is being disposed of pursuant to this policy. The term "Principal Residence" means the property that the Applicant uses as his or her residence. If the Applicant uses more than one property as his or her residence, the Applicant's Principal Residence is the property in which the Applicant lives for the majority of the time during the year and not less than half of the year.
 - b. In the event the Land Bank requires the Applicant to complete any renovations or repairs with regard to the property being disposed of pursuant to this Policy, the Applicant has submitted satisfactory evidence that he or she has a feasible plan and adequate financing to complete the necessary renovations or repairs;
 - c. If requested by the Land Bank, the Applicant has completed a home-buyer education course;
 - d. The Applicant is not otherwise disqualified as set forth herein;
 - e. The Applicant has completed an application in accordance with this Policy.
- ii. An Applicant is disqualified if:
 - a. At the time of the Applicant's application, there are unpaid and past due taxes with respect to any real property owned by the Applicant which is located in Chemung County;
 - b. A property owned by the applicant has been foreclosed upon for tax-delinquency by County of Chemung and transferred to the Land Bank;
 - c. At the time of the Applicant's application, the Applicant owes the municipality or Chemung County amounts for past due bills, fines, or fees;
 - d. There are open code violations or a history of code violations with respect to real property owned by the Applicant;
 - e. Multiple nuisance abatement cases or proceedings have been commenced with respect to real property owned by the Applicant; or
 - f. The Applicant, or any spouse, parent, sibling or child of the Applicant, possessed an interest in the property for which the Applicant is applying to purchase at the time such property was foreclosed upon by the County of Chemung for tax delinquency. The Board of Directors may consider deviating from this criterion (and 5.a.ii.2 above) if the property in question is the applicant's principal residence or principal source of income and the applicant: 1) presents compelling evidence excusing their failure to redeem the property prior to its foreclosure for unpaid real property taxes; and 2)

demonstrates that they have sufficient funds to pay in full (i) the real property taxes that were due at the time of foreclosure, (ii) any other liens that were extinguished by the foreclosure (or the ability to reinstate such liens), and (iii) the Land Bank's expenses associated with the acquisition and maintenance of the property; and 3) makes all repairs necessary to bring the property into compliance with applicable health, building and zoning laws, rules and regulations, and 4) demonstrates that they have sufficient income to remain tax- current once they regain title to the property.

- b. Affordability Covenants.** For at least 80% of all properties where all or a portion of the acquisition, demolition, construction or rehabilitation of the property was financed with Local Initiatives Support Corporation (LISC) Grant Proceeds ("Developed Property") shall be sold to a household that makes equal to or less than 100% of the area median income, as determined by the United States Department of Housing and Urban Development and adjusted for family size. Further, this limitation on income shall bind the Developed Property, running with the land, for the five year period following the initial sale or transfer by Grantee of the Developed Property.
- c. Applications.** Land Bank staff shall develop purchase application forms which Applicants shall be required to complete, so that the Land Bank can evaluate the qualifications of Applicants and select Applicants with development plans that are consistent with the Land Bank's mission and purpose and the comprehensive plans of the municipalities in which the Land Bank's real property is located. The information requested in such applications may vary depending on the type of property that the Land Bank is intending to sell. The Land Bank may require Applicants to submit redevelopment plans and/or management plans as part of the application process. The Land Bank shall require Applicants to submit a contract to purchase with each application. In addition, the Land Bank shall require Applicants to submit a refundable \$500 good faith deposit with each application, except that applications to purchase residential side-lots or community garden properties will require only a \$25 refundable deposit.
- d. Consideration.** In accordance with the terms and conditions of the Land Bank's discount/preference programs, the Land Bank may accept monetary payments and secured financial obligations, covenants and conditions related to the present and future use of the property, contractual commitments of the Applicant, and such other forms of consideration as are consistent with state and local law.
- e. Discount/Preference Program.** The Land Bank has adopted the following discount and/or preference program in order to support, through the sale of Land Bank property, development activities which further the Land Bank's mission and purpose:
 - i. Side Lot Disposition Program**
 - 1. Certain vacant residential lots acquired by the Land Bank may not be readily marketable because of their size, location, or other characteristics. The Land Bank may sell certain vacant residential lots for a discounted price to property owners who own lots which are directly adjacent to such vacant lots. Owners of adjacent, well-maintained properties are the mostly likely purchasers to take care of these vacant lots in many instances, thereby enhancing the value of the purchaser's property, beautifying the surrounding neighborhood, and improving surrounding property values. The Land Bank may require purchasers to combine such lots with the

- purchaser's adjacent property to create one tax parcel as a condition of the sale.
- ii. STEG/ESPRI Landlord Investor Program.
 - 1. The ESPRI Housing Rehabilitation "Gap Fund" is a grant program administered by Southern Tier Economic Growth (STEG). The Land Bank may sell pre-determined properties to qualified investors for the purpose of rehabilitating multi-family rental units in Census Tracts 6, 7 and 10 in the City of Elmira.
 - iii. Additional Discount/Preference Programs.
 - 1. From time to time, the Land Bank may adopt by resolution of the Board of Directors additional discount or preference programs in furtherance of its purpose or mission
 - f. **Enforcement.** In the event a real property disposition is being made in conjunction with a development plan proposed by the Applicant and approved by the Land Bank or with conditions imposed by the Land Bank, the Land Bank shall take appropriate measures to secure the Applicant's completion of the development plan or compliance with the conditions which measures may include an "claw back" provision in favor of the Land Bank.
 - g. It may be in the best interest of the Land Bank and the furtherance of its mission to lease its real property under certain circumstances, including, but not limited, to the following circumstances:
 - i. **Existing Occupants.** In order to avoid displacing persons occupying real property at the time it is acquired by the Land Bank, the Land Bank may enter into lease agreements with any such persons. The Land Bank may offer occupants relocation assistance if the real property is not habitable or if the occupants are unwilling to enter into lease agreements.
 - ii. **Properties Pending Sale.** The Land Bank may lease an occupied parcel of real property for which a sale is pending in order to allow the occupant to enhance the value of the real property and prevent vandalism to which vacant properties are susceptible.

Land Banking and Planned Development

In some instances the Land Bank will acquire a dense concentration of properties in a geographic area and may "land bank" those properties for a period of time prior to advertising them for sale until a coordinated redevelopment plan can be developed. Such plan will include input from relevant stakeholders such as the municipality, community development corporations and neighborhood associations. Once a plan has been developed, certain properties may be appropriate for the Land Bank to hold for a longer period of time until necessary funds have been raised for their redevelopment pursuant to the plan, until the Land Bank has acquired other strategic properties nearby, assembled larger parcels, certain development approvals have been granted, or other necessary conditions to effectuate the plan are met.

Properties identified as appropriate for affordable housing development through such a planning effort will be advertised as available only for redevelopment that accomplishes the objectives stated in the plan. These objectives may include certain income-restrictions/affordability thresholds, restriction to rental or owner-occupancy, and minimum standards for the quality of renovation or new construction. Other properties in the plan may be deemed appropriate for sale to private developers or individuals using standard methods to advertise properties for negotiated sale. Particular terms of sale (such as design standards or minimum renovation standards) and/or a hierarchy of preferred redevelopment

plans may be adopted by the Board of Directors specific to this geographic area as allowable under 5.d.ii. of this Policy.

In other instances the Land Bank acquires a scattered assortment of properties and moves to list them for sale soliciting competing offers. In both instances the Land Bank will take into consideration that funds may not yet have been awarded for subsidized projects and that the Applicant may not yet be able to demonstrate proof of funds awarded, and the Land Bank may approve the sale with a closing date to occur once proof of funds is obtained and when the applicant is ready to take title and begin work (i.e. land banking it for the project in order to minimize the buyer's total carrying costs in light of the community benefits these projects provide).
